Comments: Every sensible, sensitive and concerned citizen is opposed to placing this project at Yucca Mt. The plan for doing so is flawed and otherwise it's a plan which is ill-conceived, ill-advised and indefensible. Too many innocent lives will be lost and many other citizens will be placed in harm's way! Perhaps Spencer Abraham should visit with some of his former Oakland County, Michigan friends who now reside here in Nevada. We'd like an opportunity to discuss this deplorable situation with him.
